

BM Riders Club

A Friendly & Informal Club for BMW Motorcycle Enthusiasts

London Area Meeting Sunday 28th June 2009

I am planning to hold the first of what I hope to be many London area meetings. The first meeting will be at the Coach & Horses Public House in Newgate Street village, Hertfordshire starting at 12 noon.

Please come along to have a social chat with other club members, there are plenty of back lanes to explore in the area, why not make a day of it. Come on the bike or come in the car, everybody welcome.
